FACULTY

Dr. James M. Bronson, Director of the Mini-Residency, has been working with the ALF appliance since 2000; His interest was sparked and encouraged by his mentor, Dr. Brendan Stack and his use of the ALF appliance in “Movement Disorder Cases”. Dr. Bronson has lectured on “The ALF Paradigm” and “ALF A Team Approach” in the US, Asia and in Europe. He has private practices in McLean and Charlottesville, VA and he has a practiced limited to ALF and TMD Therapy in Santa Cruz, CA. Dr. Bronson is a “cum Laude” graduate of Georgetown University School of Dentistry, a member in the Cranial Academy, the AAGO, the IAO, the AGD, and the American Academy of Dental Sleep Medicine.

Dr. Tasha Turzo graduated from the College of Osteopathic Medicine of the Pacific in 1994. She has been in private practice since 1995 in Santa Cruz, CA where she practices as a traditional osteopath and a classical homeopath. She has been working in the field of functional dentistry and osteopathy with Dr. Nordstrom since she began her practice.

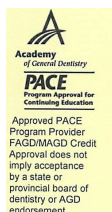

Kathy Winslow, RDH, COM has a private practice in Orofacial Myofunctional Therapy, She is a Buteyko Breathing Educator, and has training in Facial Reflex Integration (MNRI). She is a member of the IAOM (International Association Of Orofacial Myology), and the Osteo/Dental Interface Group. Kathy has lectured extensively on Orofacial Myology.
